CLARENCE BEST

I Already Know I

Love You Bantam

In this #1 New York Times bestseller, Ellen DeGeneres shares her hilarious take on everything from our most baffling human foibles—including how we behave in elevators, airplanes, and restrooms, and

why we're so scared of the boogeyman—to fashion trends, celebrity, and her secret recipe for Ellen's Real Frenchy French Toast. Most of all, this witty, engaging book offers insights into the mind of one of America's most beloved comics.... Dear Reader, I was awfully excited when I was asked to write a book. I

was however, nervous. I was afraid I didn't have anything important to say. But when I began writing, I realized that although I don't know a lot about any one thing, I know a little about a whole bunch of things: baking a pie; dancing; curing the common cold; running the Iditarod—it's all in the book. And I realized I notice things that maybe some people don't notice (or they don't notice that they don't notice). That's all in the book, too.

Absolutely Mahvelous
Villard

In *You Never Call, You Never Write*, Joyce Antler provides an illuminating and often amusing history of one of the best-known figures in popular culture--the Jewish Mother. Whether drawn

as self-sacrificing or manipulative, in countless films, novels, radio and television programs, stand-up comedy, and psychological and historical studies, she appears as a colossal figure, intensely involved in the lives of her children. Antler traces the odyssey of this compelling personality through decades of American culture. She reminds us of a time when Jewish mothers were admired for their tenacity and nurturance, as in the early twentieth-century image of the "Yiddishe Mama," a sentimental figure popularized by entertainers such as George Jessel, Al Jolson, and Sophie Tucker, and especially by Gertrude Berg, whose amazingly

successful "Molly Goldberg" ruled American radio and television for over 25 years. Antler explains the transformation of this Jewish Mother into a "brassy-voiced, smothering, and shrewish" scourge (in Irving Howe's words), detailing many variations on this negative theme, from Philip Roth's Portnoy's Complaint and Woody Allen's Oedipus Wrecks to television shows such as "The Nanny," "Seinfeld," and "Will and Grace." But she also uncovers a new counter-narrative, leading feminist scholars and stand-up comediennes to see the Jewish Mother in positive terms. Continually revised and reinvented, the Jewish Mother becomes in Antler's expert hands a

unique lens with which to examine vital concerns of American Jews and the culture at large. A joy to read, *You Never Call, You Never Write* will delight anyone who has ever known or been nurtured by a "Jewish Mother," and it will be a special source of insight for modern parents. As Antler suggests, in many ways "we are all Jewish Mothers" today.

Grandpa's Little One
Perigee

The follow-up to *I Already Know I Love You* celebrates the first smile, swim, and giggle that occur in a baby's first year of life as shared with and captured by a grandfather. Reprint.

The Games That Changed the Game

helps career moms balance their personal and professional lives. Sessional Papers One World/Ballantine
Enjoy a sprinkle of happy with this fun, sweet series from the author of the Cupcake Diaries series! Meet the Sunday Sundae Sisters! Allie, Sierra, and Tamiko have been best friends since kindergarten. Now Allie's parents are divorced and Allie has moved one town away. She can still see her friends but she no longer goes to the same middle school. So that means new teachers, new classrooms, and new students to deal with—all without her BFFs for support. But when Allie's mom decides to fulfill her lifelong dream and open up an ice cream

shop, Allie has an idea. Maybe she and her friends can work in the shop every Sunday! It's a way for them to stay in touch every week and have fun—that is, of course, until they actually start working. The girls soon discover that working in an ice cream shop is more than just scooping cones and adding toppings. It's serious work and Allie feels the pressure of having to "be the boss" around her friends. Can the girls work together every week and still remain BFFs? They can—especially when they settle their differences over an ice cream cone. Written by Coco Simon, author of the popular Cupcake Diaries series, this yummy new middle grade series for girls will have the same

sweet wholesome fun both girls and parents crave. It's sure to be another delicious hit!

All the Way Other Press, LLC

The best teachers are leaders, and the best leaders are teachers. *Teaching by Heart* summarizes the author's key insights gained from more than forty years of teaching and managing. It illustrates how teachers can both lift people up and let them down. It proposes that the best teachers are also leaders, and the best leaders are also teachers. In examining how to lead and teach, renowned Harvard Business School professor Thomas J. DeLong takes the reader inside his own head and heart. He notes that, as teachers, we often focus more on

our inadequacies and missteps than on our strengths and unique talents. He explains why this is so by dissecting and analyzing his own experiences--using himself as a case study. The book's goal is to help readers learn about the intricacies of teaching and managing, and to impart lessons about how teachers can create a unique teaching atmosphere. To do this, the author analyzes the process of creating a curriculum, preparing for an eighty-minute class, managing the fifteen minutes before class begins, and evaluating the nature of the teaching experience after the session concludes. Along the way, he connects specific classroom

behaviors with leadership issues--in organizations, in teams, and in personal relationships. He also asks--and answers--some provocative questions, such as: What happens on multiple levels when I teach or lead--with me, students, or professionals? What am I thinking and feeling as I process what students are thinking and feeling? How are my internal conversations affecting how I teach and lead? How do I manage my biases, including having "favorite" students? To what extent can I use teaching methods in the arena of management? Throughout *Teaching by Heart*, DeLong discusses why empathy and

authenticity matter. When teachers embrace this mindset, students have the opportunity to have a unique learning experience. Teachers and managers will learn how to create moments of transformation for students. Whether you're a university professor, a student, a business leader, or just someone fascinated by teaching, this book will instruct, entertain, and--hopefully--inspire.

700 Sundays Simon and Schuster
In this subtly haunting novel, a married woman confesses her encounter with a mysterious man, which threatens the stilted calm of life in a Paris suburb. Echoing the acclaimed and unsettling film *Sundays and Cybèle* from 1962,

A Sunday in Ville-d'Avray is suffused with the same feeling of disquiet: Two sisters meet as the light is fading in a detached house in Ville-d'Avray, each filled with the memory of their childhood hopes and fears, their insatiable desire for the romantic, for wild landscapes worthy of Jane Eyre, and for a mad love, all concealed beneath the appearance of a sensible life. Claire Marie, considered by most to be a dreamy, passive sort of person, suddenly breaks from the everyday by confiding in her sister about an unlikely meeting in this seemingly peaceful provincial town. To her listener's amazement, she tells of her wanderings around the Fausses-Reposes

forest, the Corot Ponds, and the suburban train stations, and the lurking dangers she encountered there. In this arresting novel reminiscent of Simenon, Dominique Barb ris explores the great depths of the human soul, troubled like the waters of the ponds.

The Playbill

Broadway Yearbook
Oxford University Press
To support his family, Billy Crystal's father, Jack, worked two jobs, having only one day a week to spend with his family. Based on Crystal's one-man Broadway show of the same name, "700 Sundays"--referring sadly to the time shared by an adoring father and his devoted son--offers a heartfelt, hilarious memoir. Photos throughout.

Still Foolin' 'Em Simon and Schuster
 * Winner of the 2017 National Book Critics Circle Award * National Book Award Finalist * Time magazine Top 10 Nonfiction Book of the Year * New York Times Notable Book * Publishers Weekly Best Books of 2017 This “epic history” (The Boston Globe) from Pulitzer Prize-winning historian Frances FitzGerald is the first to tell the powerful, dramatic story of the Evangelical movement in America—from the Puritan era to the 2016 election. “We have long needed a fair-minded overview of this vitally important religious sensibility, and FitzGerald has now provided it” (The New York Times Book Review). The evangelical movement

began in the revivals of the eighteenth and nineteenth centuries, known in America as the Great Awakenings. A populist rebellion against the established churches, it became the dominant religious force in the country. During the nineteenth century white evangelicals split apart, first North versus South, and then, modernist versus fundamentalist. After World War II, Billy Graham attracted enormous crowds and tried to gather all Protestants under his big tent, but the civil rights movement and the social revolution of the sixties drove them apart again. By the 1980s Jerry Falwell and other southern televangelists, such as Pat Robertson, had formed the Christian

right. Protesting abortion and gay rights, they led the South into the Republican Party, and for thirty-five years they were the sole voice of evangelicals to be heard nationally. Eventually a younger generation proposed a broader agenda of issues, such as climate change, gender equality, and immigration reform. Evangelicals now constitute twenty-five percent of the American population, but they are no longer monolithic in their politics. They range from Tea Party supporters to social reformers. Still, with the decline of religious faith generally, FitzGerald suggests that evangelical churches must embrace ethnic

minorities if they are to survive. "A well-written, thought-provoking, and deeply researched history that is impressive for its scope and level of detail" (The Wall Street Journal). Her "brilliant book could not have been more timely, more well-researched, more well-written, or more necessary" (The American Scholar).

Thirty-Life Crisis

Fantagraphics Sunday Press Books

As he prepares to turn 65, one of America's favorite comedians looks back at his extraordinary career, highlighting the most powerful and memorable moments of his long and storied life, and outlines, with his trademark wit and heart, the absurdities and challenges that come with growing old.

1,000,000 first printing.

Laugh Lines Hal Leonard Corporation (Playbill Broadway Yearbook). Many of the people who work on Broadway keep scrapbooks of their experiences: photos, signed posters, ticket stubs, and, of course the Playbills. Playbill Books, a division of the iconic 111-year-old company that designs the programs for every show on Broadway, has expanded this idea into a new project that it hopes will become a Broadway institution: The Playbill Broadway Yearbook . It takes the form of a high school or college yearbook, packed with photos and memorabilia from the entire 2004-2005 season. This inaugural edition will include chapters on every

show that ran during the season not just the new shows, but the long-running ones from seasons past as well. In addition to all the headshots of all the actors who appeared in Playbill, the book will have photos of producers, writers, designers, stage managers, stagehands and musicians. The goal is to include as many of the faces that worked on Broadway and who made themselves available. Correspondents range from dressers and stage doormen to stage managers, dancers, featured players, and, in some cases, the star of the show.

Clothing Optional ESPN
Alan Zweibel dusts off some hilarious material written years ago that stand the test of time.

An original Saturday Night Live writer, award winning author and playwright, Zweibel releases three never before published short stories: The Prize, The Ride Home, and Sexting with Alan Dershowitz pulled from Alan 's Bottom Drawer delivered directly to your eReader. You ll be laughing within seconds...Okay, minutes...Okay, the next day. But that's still good, right? " One of the best comedy writers around, Alan Zweibel is my bounce guy. We ve been friends for so long we have our own comedic shorthand. We totally get each other 's sense of humor. " Larry David " He 's wonderfully funny and very smart and he 's a big guy, but very sensitive. " Billy Crystal " Alan Zweibel

is the funniest writer in the world. " Dave Barry " Read Alan Zweibel and you ll be reminded of the likes of Robert Benchley and S.J. Perelman. You can t help but be moved by his warmth and insight even as you laugh your ass off. " David Steinberg About the Author An original Saturday Night Live writer who the New York Times said has earned a place in the pantheon of American pop culture, Alan Zweibel has won multiple Emmy, Writers Guild, and TV Critics awards for his work in television which also includes "It 's Garry Shandling 's Show," "Monk," PBS 's "Great Performances," and "Curb Your Enthusiasm." A frequent guest on talk shows such as "The

Late Show with David Letterman," Alan 's many theatrical contributions include the Tony Award winning play "700 Sundays" which he collaborated on with Billy Crystal, Martin Short 's Broadway hit "Fame Becomes Me," and the off-Broadway play "Bunny Bunny Gilda Radner: A Sort of Romantic Comedy" which he adapted from his best-selling book. Alan has written the 2006 Thurber Prize winning novel "The Other Shulman," the popular children 's book "Our Tree Named Steve," and a collection of short stories and essays titled "Clothing Optional." His humor has also appeared in such diverse publications as "Esquire," "The Atlantic Monthly," "The New

York Times" Op-Ed page, "The Huffington Post," and "MAD Magazine." The co-writer of the screenplays for the films "Dragnet," "North," and "The Story of Us," Alan recently received an honorary PhD. from the State University of New York and in 2010 the Writers Guild, East gave him a Lifetime Achievement Award. Alan is currently working with Billy Crystal on the feature film version of "700 Sundays" to be directed by Barry Levinson, executive producing a documentary mini-series for Showtime with Steve Carell and David Steinberg and writing a novel titled "Lunatics" with Dave Barry which Putnam is publishing in January. And on the TV screen

he will be appearing as a new character in the upcoming season of "Curb Your Enthusiasm" and in a short film for "Funny or Die." But the production that Alan is most proud of is the family he 's co-produced with his wife Robin, their children Lindsay, Sari, and Adam, Adam 's wife Cori, and grandchildren Zachary and Alexis.

From three award-winning and bestselling humor writers comes a hilarious guide to everything you need to know about Jewish history, holidays, and traditions. Why do random Jewish holidays

keep springing up unexpectedly? Why are yarmulkes round? Who was the first Jewish comedian? What's "Christian humor" and have you ever even heard of that phrase? Who is "the Golem" and whom do you want it to beat up? These baffling questions and many more are answered by comedy legends Dave Barry, Adam Mansbach, and Alan Zweibel, two-thirds of whom are Jewish. In A Field Guide to the Jewish People the authors dissect every holiday, rite of passage, and tradition, unravel a long and complicated history, and tackle the tough questions that have plagued Jews and non-Jews alike for centuries. Combining the sweetness of an apricot rugelach with

the wisdom of a matzoh ball, this is the last book on Judaism that you will ever need. So gather up your chosen ones, open a bottle of Manischewitz, and get ready to laugh as you finally begin to understand the inner-workings of Judaism.

The Other Shulman

Lennex

In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "700 Sundays." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this

book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all.

Still Foolin' 'Em

A Jew Grows in Brooklyn Abrams

As he prepares to turn 65, one of America's favorite comedians looks back at his extraordinary career, highlighting the most powerful and memorable moments of his long and storied life, and outlines, with his trademark wit and heart, the absurdities and challenges that come with growing old. 1,000,000 first printing.

The World According to

Tom Hanks Grand Central Publishing

"Garry, it's Alan. Look, I'm calling because I just felt the need to tell someone that I'm forty-four years old, and about an hour ago, for the first time in my life, I put suntan lotion on my ass. I'll explain

later. Bye." In *Clothing Optional*, Alan Zweibel offers a collection of laugh-out-loud personal narratives, essays, short fiction, dialogues, and even a few whimsical drawings. Zweibel first made a name for himself as one of the original writers for *Saturday Night Live*, but his career's humble beginnings included creating one-liners for Catskill comedians at seven dollars a pop. That experience is only one of the hysterically inspired anecdotes ("Comic Dialogue") in this quirky compilation. Zweibel confesses his first love, as a young Hebrew school student, for Abraham's wife, Sarah ("At this point, Sarah's husband had been dead for more than three thousand years--so, really, who

would I be hurting?"); recounts the time he was sent to a nudist resort to write an article ("The fact that I brought luggage is, in itself, worthy of some discussion"); offers a touching tribute to Saturday Night Live writer and mentor Herb Sargent ("Herb was New York. But an older, more romantic New York that took place in black and white like the kind of TV I grew up on and wanted to be a part of someday"); and imagines a scenario in which Sergeant Joe Friday, the stiff,

monotoned character from *Dragnet*, is inexplicably partnered with Snoop Dogg ("Damn, Friday. You gotta learn to chill. Take some free time and kick it with your boys") Every piece is punctuated with the same wit and insight that have come to define Zweibel's humor. Unhinged and hilarious, *Clothing Optional* is an unguided tour through the uniquely peculiar life and mind of a man who *The New York Times* said "has earned a place in the pantheon of American pop culture."
