God And Sex Now We Get Both

2023-01-31

BYRON WANG

God and Sex Christian Faith Publishing, Inc.

Howard Frankl's *God, Sex, Drugs and Other Things* begins with three essays on subjects found in the title: one essay on drugs, one on sex and one on God. The "Other Things" turn out to be Money and Murder, and there is an essay on each of these topics. The book comes to a close with a short epilogue on the reality that holds the whole work together, call it compassion, call it universal salvation, or just call it Love. Writer Ernesto Cardenal calls this "a bold book ... In it are things writers don't dare say. Only God. And he has said them in the Bible. But since we read the Bible so often, those things don't shock us. They shock us when someone says the same things in a new way. This is an orthodox book, but to some it will not seem so, because it presents the dogmas with a freshness and originality we're not used to."

[What the Bible Says About Sex](#) CreateSpace

"God and Sex: the two most powerful and misunderstood words in the English language. The presumed separation between God and Sex has vulgarized both and made them painful, anxiety inducing, and useless to our lives. Lucid, radical and gentle, this long-awaited book from globally beloved teacher Mark Whitwell clarifies the old cultural division of the sacred and the profane and how it has affected all of our lives, whether we are religious or no, and charts a way through the mess. What if I were to tell you that you can fully participate in both God and Sex? By bringing them together into clear association, each purifies the other, and both can be made profoundly useful to your life. Life is Sex. The pollen in the air is the Sex of plants. The flowers and the sounds of animals are the Sex of nature. No matter how convoluted the human mind becomes, we are still this condition. We do not need to 'become' anything in order to have a free and healthy life. There is nothing to be liberated from. This book is for any sincere religious person conflicted about Sex, and any secular modern person trying to find a positive and enriched sexuality. It's for anyone who thinks they have to give up Sex to get to God, and anyone who thinks they have to give up God in order to enjoy Sex. It is for both men and women, for those in same-sex or opposite-sex partnerships, for those looking for partnership, and for those happily by themselves. It is for anyone wondering "What is intimacy?" and wanting a framework to understand the damage done to our lives by the belief systems that suggested God was above and Sex was below. It's for anyone dissatisfied or bored by relationship drama and the normal definitions of God and Sex-God as 'other,'

Sex as something sleazy, effortful, hard to get, or fundamentally disappointing. It is for those who wish to turn their sexual life into the heart's activity, participation in God, and for those who wish to turn their religious life into the heart's activity, participation in profound intimacy with their breath, their body, and relationship of every kind. We have all been affected by the dysfunctional separation of sacred and profane. This writing is transmission that will dismiss the absurd idea that you can have God or Sex, but not both, and enable you to realise that you are, in fact, the power of the cosmos, arising as pure intelligence and utter beauty"--silversnakepress.com.

[Taking God to Bed With You](#) Twelve

For all intent, virtually all accepted mainstream Catholic Christian tenets remain untouched for the past two millennia. It follows then that we take for evident truths; for example, our views on the Creator and creation; sexuality, gender issues, and human relationship concerns; may in fact be nothing but establishment dogmas gleaned from wrong interpretation or translation of the original text and intent of Jesus Christ and the Bible authors. Now, isn't the mere chance of that being true too scary? The *Sex Texts: Sexuality, Gender, and Relationships in the Bible* by L. Robert Arthur raises just that possibility, despite the strong likelihood of facing stiff criticism from many sectors, mostly of the established Catholic persuasion. Yet those inclined to know the true message of Jesus Christ and his closest disciples may well take heed to scrutinize, at the very least, what Robert is trying to point out in his work. The *Sex Texts: Sexuality, Gender, and Relationships in the Bible* promises to raise a storm, but the public debate it could engender may yet start a new direction for the rest of humanity.

Sex & God NavPress Publishing Group

In a book that will forever change the way we interpret women of the Bible, Shoni Labowitz's long-awaited follow-up to her celebrated *Miraculous Living* explores the lives of eight key women and reveals their relevance today. With impressive scholarship, Labowitz makes a compelling case that, contrary to popular notion, these women were in fact passionate, confident and unashamed of their bodies. In the luminous and inspiring pages of *God, Sex and Women of the Bible*, these charismatic figures come magically alive as sexual beings and show their modern-day counterparts how to wed spirituality with passion. Mining language and history, Labowitz reinterprets the stories of eight biblical women, unveiling in the process truths and nuances that have been hidden by centuries of patriarchy. She paints vivid portraits of heroines and lesser-known women alike, presenting compelling evidence that they subscribed to a matriarchal goddess culture coexisting with the God of Abraham, Isaac and Moses. Within this rich framework, long-silenced voices speak out to reveal

the conflicts and perplexities of their own lives -- helping us, in the process, to resolve our own issues. In these sensuously illuminating pages, you'll meet: LEAH: Plain and overlooked, she triumphs over injustices and creates a relationship with God that provides a model to help us overcome our own poor body images and discover the Divine within RACHEL: Leah's sister, who uncovers the mysteries of the moon goddess and menstruation, presents us with a new approach to rest and relaxation EVE: The first woman encourages us to invite God into our own sexuality and teaches us how to fully reveal ourselves to our partner JOCHEBED: A midwife and the mother of Moses, she shows us how to make motherhood a spiritual experience DEBORAH: The story of this Judge of Israel will inspire us to fearlessly reach new personal and professional heights, enabling us to enhance our families' lives MIRIAM: Moses' sister, a gutsy lady who follows her intuition, is the perfect guide to help us experience menopause with dignity and grace THE PROPHET'S WIDOW: This anonymous woman helps us to deal with the loss of loved ones UNNAMED WOMEN OF THE BIBLE: These unacknowledged figures explain how to cope with the devastation of hysterectomies NAOMI: In the most mature sexual stage of a woman's life, this queen of crones reveals her age-old secrets and teaches us how to be more confident and alluring Never preachy or exclusionary, Labowitz renders these stories accessible to women of all faiths, striking the perfect balance between textual commentary and practical application. Complementing the ancient wisdom gleaned from Hebrew texts with the voices of the women she has met, she shows us how to reclaim our own sexuality by revealing God's place in it. In *God, Sex and Women of the Bible*, we discover our own potential to be meaningful, holy and passionate -- not just once a week, but every day of our lives.

Sex Was God's Idea InterVarsity Press

The architects of the sexual revolution won over the popular imagination because they knew the power of story. They drew together radical new ideologies, often complex and hard to grasp, and melded them into the simpler structure of narrative. Crucially, they cast narratives that appealed to the moral instincts of ordinary, decent people. This moral vision overwhelmed the church and silenced its faltering apologists. The author argues that if Christians still believe they have good news in the sphere of sexual ethics, then two big tasks lie ahead. Our first priority is to work out what has gone so badly wrong, both in our understanding and application of what the Bible teaches and the way we have presented our case to the non-churched. And then we must offer a better story, one that fires the imagination with such force that people will say, 'I want that to be true.' This book offers a confident, biblically rooted moral vision which needs to be shared with prayer and courage.

Thank God for Sex Revell

For several decades, Michael Coogan's introductory course on the Old Testament has been a perennial favorite among students at Harvard University. In *God and Sex*, Coogan examines one of the most controversial aspects of the Hebrew Scripture: What the Old Testament really says about sex, and how contemporary understanding of those writings is frequently misunderstood or misrepresented. In the engaging and witty voice generations of students have appreciated, Coogan explores the language and social world of the Bible, showing how much innuendo and euphemism is at play, and illuminating the sexuality of biblical figures as well as God. By doing so, Coogan reveals the immense gap between popular use of Scripture and its original context. *God and Sex* is certain

to provoke, entertain, and enlighten readers.

Sex: A Pocket Bible Study & Journal NewSouth Books

After studying at Oxford University and finding God, Carolyn Weber grappled with a new invitation: to think bigger about love. Through Weber's personal story of courtship, marriage, and parenthood, as well as spiritual, theological, and literary reflection, this memoir explores what life looks like when we choose to love God first.

Not Yet Married University of Chicago Press

What's the Big Deal? explains the basic facts about sex for kids ages 8-11.

The God of Sex HarperCollins

In this important and engaging biblical teaching on sexuality, David White helps readers develop a Scripture-based perspective on human sexuality that goes beyond "just wait until you're married." *God, You, & Sex* doesn't sidestep the sexual revolution that has finally come to bitter fruition in teen and young adult "hookup" culture. In the face of these messages and the pervasiveness of sexual temptation, White helps men and women find compelling reasons to obey God with their sexuality. This book addresses how the church has made sex more important than God ever intended. By establishing a positive theology of sex from Scripture, White ultimately points to Christ as the Bridegroom and sheds light on broken sexuality, pornography, same-sex marriage, sex outside of marriage, and other relevant topics.

God, Sex, Drugs & Other Things Taylor & Francis

God designed marriage to be a lifetime of joy and adventures. When ones marriage is balanced in love and great sex, the years will fly by, and divorce is not an option. "Gods Word and Sex" can help readers create an ambiance in marriage that will satisfy a couples needs for a lifetime. (Practical Life)

Sex, Food, and God Harper Collins

Four topic-driven Bible studies for teens from bestselling author Hayley DiMarco help teens find biblical direction on their most important and pressing issues. Now available in trade paper.

God, Science, Sex, Gender iUniverse

Sex. God. You know the two subjects are connected; you just don't have the words for how they are connected. And they cannot be separated. Where the one is, you will always find the other. When you actually live and feel and engage, you discover that the physical things around us are like windows into more. And when you talk about sexuality, you quickly end up in the spiritual---because 'this' is always about 'that.' Something deeper. Something behind it all. You can't talk about sexuality without talking about how we were made. About how we relate to each other. About how we were made to relate to each other. And that will inevitably lead you to who made us. At some point you have to talk about God. To make sense of the one, we have to explore the other. That is what this book is about.

Sex, Marriage, Gays & God Image

Engagingly and clearly written by a highly respected theologian, *God, Sex, and Gender* is the first comprehensive introduction to a theology of both sexuality and gender available in a single volume. Makes a theological contribution to understanding the unprecedented changes in sexual and gender relationships of the last fifty years Discusses many topics including: sexual difference; sexual

equality; gender and power; the nature of desire; the future of marriage in Christian sexual ethics; homosexuality and same-sex unions; the problems of sexual minorities; contraception in a time of HIV/AIDS; the separation of sexual experience from marriage; and offers new arguments for marriage and for chastity. Offers a consistent and engaging introduction at the cutting edge of theological inquiry, which is contemporary, undogmatic, questioning, and relevant to readers' experience, interests, and needs. Written lucidly and engagingly by an established and respected academic who has published widely in this area.

Sex, God, and the Conservative Church Harper Collins

This book is written to encourage women to stand up and take their place in destiny, as God expected us to, without giving excuses. As we all know, women are multi-talented, hence are capable of contributing to the society in many ways, besides child bearing and meeting the sexual needs of their husbands. Therefore, God is counting on women for great exploits in this end time. Our roles as women in this end time is enormous and we must come to the understanding that God is waiting for us to begin to move mountain instead of looking down on ourselves, because of what society and tradition have made some of us to believe for centuries now. We must not allow our gifts and talents to waste away, thinking we are nothing but home keepers and our husbands are our God and great providers. We must get this right, that God is our provider, how He does it is up to Him and He is looking for women who will dare to step out of the box and allow Him - God to use them to do exploits, like He once used Deborah, Ruth, Esther, Kathryn Kuhlman, Mother Teresa, Mary Slessor and so on. It is amazing how the enemy the devil, has successfully lied to women, for thousands of years, through traditions and customs, that they are inferior to men and that their husbands are their main provider - as opposed to God. Genesis 22v14 "So Abraham called the name of that place The Lord will provide." That is God is our provider. Child of God, listen to me, God can use a woman to provide for many, if you will allow Him. Stop thinking a man must provide your every need. I believe that era, is no more. Look around you (Women are now Presidents of nations), God is looking for women to use, in reshaping the world and communities around them - including families, according to His will and purpose. Will you allow Him to use you?

What's the Big Deal? Xulon Press

Why are all the major religions consumed with sex? What makes sex so important, whether Buddhism or Islam, Christianity or Mormonism? What is the impact of religion on human sexuality? This book explores this and more. It ventures into territory that has never been examined. You will be surprised at how much religion has influenced your sexuality, who you marry, the pleasure you get or don't get from sex, and what you can do about it.

Love That Lasts Xulon Press

I know for sure that you like sex, don't you? But have you ever thought about thanking God? If not, you are not alone. Many people apparently become lovers of sexual pleasures rather than lovers of God. They believe that God should not be part of sexual discussion. Well, the opposite is true. Everything that God created is to be received with thanksgiving, included sex. If you wish to experience full satisfaction when making love, you must acknowledge God to know His mind on the subject. God alone is qualified to show you the best way to enjoy the blessed gift of sex. Do you want to know when God wants you to have sex? If you wish to get full benefit from sexual

intercourse, you must read this book. You will be enlightened greatly on many facets of sex. What is sex to you? Do you know the three P(s) of sex? Do you know why your spouse wants to have sex? The answers to those questions and more will be found in this marvelous book. Frantz Lamour is founder and senior pastor of Holy Church of Grace, a ministry dedicated to preaching the Gospel of Jesus Christ to all souls and to helping believers to maintain a loving relationship with both God and man. He holds a Bachelor degree on pastoral ministries from Hobe Sound Bible College. He and his wife, Djenny, live in Royal Palm Beach, Florida, and are the parents of two children. Pastor/teacher Frantz Lamour is the author of many books, including *The Lord's Prayer- An Undiscovered Treasure*, *La Seconde Vie* (In French), *Holiness- God's Plan for His People* (In Creole), *Jesus is Risen*, and *A Dream Marriage*. Above all, he is a slave of Jesus Christ.

Sex and the City of God Ipc Press

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

God, Sex, and Politics Harvest House Publishers

This ground-breaking resource challenges and equips Christians to think and act biblically and compassionately in matters of sexuality. Sexual abuse, sex addiction, gender confusion, brokenness, and shame plague today's world, and people are seeking clarity and hope. By contesting long-held cultural paradigms, this book equips you to see how sexuality is rooted in the broader context of God's heart and His work for us on earth. It provides a framework from which to understand the big picture of sexual challenges and wholeness, and helps you recognize that every sexual question is ultimately a spiritual one. It shifts the paradigm from combating sexual problems to confidently proclaiming and modeling the road to sacred sexuality. Instead of arguing with the world about what's right and wrong about sexual choices, this practical resource equips you to share the love and grace of Jesus as you encounter the pain of sexual brokenness--your own or someone else's.

The Story of Me Multnomah

Addressing the temptations and patterns of secrecy and shame that people adopt, the author of *Becoming Who God Intended* reveals how appetites can dominate the lives of men and women and offers guidance to break away from those unhealthy desires. Original.

A Better Story Xulon Press

In *Love That Lasts*, New York Times bestselling author of *Jesus > Religion* Jefferson Bethke and his wife, Alyssa, expose the distorted views of love that permeate our culture and damage our hearts, minds, and souls. Drawing from Jeff's "prodigal son" personal history and from Alyssa's "True Love Waits" experience, the Bethkes point to a third and better way. Blending personal storytelling with biblical teaching, they offer readers an inspiring, realistic vision of love, dating, marriage, and sex.

Young people today enter adulthood with expectations of blissful dating followed by a romantic, fulfilling marriage only to discover they've been duped. They learned about love and sexuality from social media, their friends, Disney fairy tales, pornography, or even their own rocky past, and they have no idea what healthy, lifelong love is supposed to be like. The results are often disastrous, with this generation becoming one of the most relationally sick, sexually addicted, and divorce ridden in

history. Looking to God's design while drawing lessons from their own successes and failures, the Bethkes explode the fictions and falsehoods of our current moment. One by one, they peel back lies such as, the belief that every person has only one soul mate, that marriage will complete you, and that pornography and hook-ups are harmless.
