It's the real stories, not the publicists' confections, that concern Colin Escott. We hear Perry Como's story in his own words: it wasn't all smooth. We learn about the astonishing twists and turns in Roy Orbison's life, and the stories behind the songs we know so well. And we go down with Vernon Oxford, the last great honky tonk singer, who came to Nashville just a little too late. These are stories for anyone who loves what Escott calls "little songs from great sorrows." They will fascinate even the most casual fan of popular music, and they're told here in sympathetic, engaging, and illuminating prose.

The story is a fast-paced human drama. High school is a time of innocence, a time for fun, when adolescents establish a set of values that will last a lifetime. In 1957, teens were carousing all across the country, as the 1950s were in full roar. The Bronx, New York was no different. Relive the adventures of the in crowd at St.

Helena's Catholic high school as they learn the importance of friendship and the meaning of love. On a lark, four high school seniors celebrate an 18th birthday party in the school cafeteria. The only problems were that the school was closed for the night, and they brought along a keg of beer for the party. The nuns living three floors above, hear the commotion and think a rape is in process and phone the police, causing all Hell to break loose. The influence of the church and school seemed limitless. Most of the clergy served as a maturing authority to guide their students along the straight and narrow path. However, one rouge administrator had his own interpretation of the Lord's message. From this Brother's perspective, it was the principle behind the punishment that mattered. Responsible adults would be developed out of irresponsible boys. His actions and excessive punishments aimed at breaking down a select few pranksters

would only serve as a rallying point to unify the student body and faculty to support the targets of his vengeance.
