Themes, places, characters and voices of Elizabeth Jolley's *Mr Scobie's Riddle* are explored in detail in this monograph, which provides different narratological and translational analyses of the novel, as well as an academic translation into Italian. Considering the challenges and issues posited by a literary work's translation helps to shed light on the original work itself. In this manner, the translation is to be seen as a further analytical instrument to gain insight into the original novel. The purpose of this work is to obtain a deeper understanding of the complicated microcosm created by Jolley in the nursing home of "St Christopher and St Jude": the typically Australian themes of migration, isolation, place and displacement; the Australian culture-specific elements; the ensemble of curious characters and their entertaining voices. This book strives to preserve the above elements in translation as

the expression of something Other, a different culture, and to take Italian readers on a journey to the Australia depicted in Mr Scobie's Riddle so that Jolley's characters' voices can echo in the Italian language.

Is Italy a united country, or a loose affiliation of warring states? Is Italian football (which we Americans know as “soccer”) a sport, or an ill-disguised protraction of ancient enmities? After twenty years in the bel paese, Tim Parks goes on the road to follow the fortunes of his hometown soccer club, Hellas Verona, to pay a different kind of visit to some of the world’s most beautiful cities, and to get a fresh take on the conundrum that is national character. From Udine to Catania, from the San Siro to the Olimpico, traveling with the raucous and unruly Verona fans—whose conduct is a cross between that of asylum inmates and the Keystone Kops—Tim Parks offers his highly personal account of one man’s relationship with a country, its people, and its national sport. The clubs are struggling, as always, to keep their heads above water in Series A. The fans, as always, are accused of vulgarity, racism, and violence. It’s an election year and politics encroaches. The police are ambiguous, the journeys exhausting, the referees unforgivable, the anecdotes hilarious. And behind it all is the growing intuition that in a world stripped

of idealism and bereft of religion, soccer offers a new and fiercely ironic way of forming community and engaging with the sacred.

In 1959, thirty-five-year-old Peggy was swept away into another time and country. After the unexpected death of her husband, Peggy sought a new backdrop and moved with her four-year-old twin sons, Craig and Mark, and eleven-year-old daughter, Barbara, to Florence, Italy. It was a nine-day voyage that changed her life and ultimately rooted her family in two countries. The American Contessa narrates the adventure of this middle-class American widow who traveled to Italy intending to stay for one year, yet remained there for twenty. This memoir tells about the struggles of adopting a new language and learning about centuries-old traditions and mores that she both admired and misunderstood. Her story chronicles her marriage to Conte Giorgio Magherini, a member of the Italian-landed aristocracy, and of the family's sojourns through numerous Tuscan villas before coming to rest at Norcenni, Giorgio's ancestral home. With photos included, this memoir captures the enchantment of Italy through the eyes of Peggy's family and provides an engaging and

insightful look into the world of an American contessa.

Here, in the first book of Tom Foran Clark's four part "Freewheeling" series, "Riding in Italy" the author gives a clear nod and tip of the hat to the works of Kerouac, Pirsig, Bellow, Cervantes, and Rabelais. Here are the adventures of two young vagabonds in Europe, Pike and Emery. "Pike had made a plan," the story goes. "He was going to ride a bike south through Spain to Morocco, then east across North Africa to Italy." Emery proposes, "I'll join you if you start in Italy and do the journey backwards" - from northern Italy south to Sicily and on to Tunisia, Algeria, Morocco, and Spain. They purchase their bikes in Milan, "a fogbound madhouse of a million angry honking, gnashing, sideswiping cars." While Pike was content with finding an unpretentious "banged and dented, wobbly, pale blue ten-speed," Emery had the proprietor of a fancy bike shop on the Corso Garibaldi show Emery "a stunning Mediterranean blue new Rossignoli bicycle that immediately sent Emery's imagination

reeling. And that, indeed, would be Emery's bike – the bike on which he would set out freewheeling.” The author did in fact once ride a bike, with a cohort, from northern Italy south to Sicily and on to North Africa – and so on -- years ago now. From that long and grueling journey sprang this finely crafted fiction. The “freewheeling” is not only in the events – what happens in the journeys of these two young vagabonds – but also in the author’s exuberant telling of his tale. “As traveling companions go, Emery figured, Pike really was all right. Even something of a rare bird. In some ways, he now seemed to Emery to be even princely: Pike's long brown hair and lavish tan fur trapper’s coat, one hand in a pocket, one foot forward – the stance of a gentleman. This recognition so warmed Emery's heart, he took Pike to breakfast. They ate, then went to Santa Maria Novella. There, before his eyes, was Masaccio’s masterpiece, Christ on the Cross, situated

in a perfectly geometric architectural space – all done using only paint. It was the skeleton painted at the bottom of the marvelous picture with which Emery connected – it really got to him. There were foreign words in an inscription beneath the skeleton that he knew to mean, ‘What you are, I once was; what I am, you will become.’ Emery felt not only elevated, ennobled, he felt like he was rising in the air. Emery bowed, said, ‘Thank you, Masaccio,’ and went out. After that, nothing was as it had been.”
