A skilled debater, a master of language, and a passionate defender of Israel, Abba Eban's diplomatic presence was in many ways a contradiction unlike any the world has seen since. While he was celebrated internationally for his exceptional wit and his moderate, reasoned worldview, these same qualities painted him as elitist and foreign in his home country. The disparity in perception of Eban at home and abroad was such that both his critics and his friends agreed that he would have been a wonderful prime minister—in any country but Israel. In *Abba Eban*, Asaf Siniver paints a nuanced and complete portrait of one of the most complex figures in twentieth-century foreign affairs. We see Eban growing up and coming into his own as part of the Cambridge Union, and watch him steadily become known as "The Voice of Israel." Siniver draws on a vast amount of interviews, writings, and other newly available material to show that, in his unceasing quest for stability and peace for Israel, Eban's primary opposition often came from the homeland he was fighting for; no matter how many allies he gained abroad, the man never understood his own domestic politics well enough to be as effective in his pursuits as he hoped. The first examination of Eban in nearly forty years, *Abba Eban* is a fascinating look at a life that still offers a valuable perspective on Israel even today.

The 1970s is a decade frequently miscast; a parade of fashion disasters backed by a soundtrack of glam rock or frothy, mainstream disco. The generation who grew up in the 1970s remember the decade differently: inflation, strikes, and power cuts; the rise of the National Front; IRA terror campaigns on the British mainland; women's liberation; 'Mean Streets'; 'Taxi Driver' and 'Apocalypse Now'. 'Young Hearts Run Free' tells the story of the 1970s, celebrating the musicians and songs that illuminated the ideas, fashions and sexual revolutions of

the decade including: the politicised soul and funk of Curtis Mayfield and Marvin Gaye, the Punk explosion, New Wave, David Bowie and Ziggy Stardust, gay disco, the Stooges, Patti Smith, the Raincoats, Cabaret Voltaire, the Specials, and black British reggae. 'Young Hearts Run Free' uses in-depth research, drawing not only on interviews with musicians, writers, and artists but also a wide range of representatives of the 70s generation. They introduce us to life and music away from the mainstream: nothing bland, nothing obvious, definitely not Abba.

Whispers of My Abba Chosen Books Discover and Embrace the Extravagant, Unconditional Love of the Father How is it that so many believers get stuck when it comes to entering into a relationship with God the Father? Rather than basking in the Father's endless love, compassion, and delight, we seem to hesitate, like orphaned children unsure of a place to call home. Neal Lozano breaks through the obstacles that keep us from growing in this pivotal relationship. He shatters fear and estrangement in his joyful exploration of Jesus's promise to show us his Father--and ours. It is a heartwarming journey, starting with the universal experience of loss and ending in the Father's welcoming arms as dearly loved children.

'Too often we treat popular music as wallpaper surrounding us as we live our lives. Jude Rogers shows the emotional and cerebral heft such music can have. It's a personal journey which becomes universal. Fascinating!' Ian Rankin 'Moving and absorbing, The Sound of Being Human

mixes memoir, analysis, anecdote and personal chronicle into a mosaic that evokes what music means to the individual and the human tribe. A candid, beautiful read' Stuart Maconie The Sound of Being Human explores, in detail, why music plays such a deep-rooted role in so many lives, from before we are born to our last days. At its heart is Jude's own story: how songs helped her wrestle with the grief of losing her father at age five; concoct her own sense of self as a lonely adolescent; sky-rocket her relationships, both real and imagined, in the flushes of early womanhood, propel her own journey into working life, adulthood and parenthood, and look to the future. Shaped around twelve songs, ranging from ABBA's 'Super Trouper' to Neneh Cherry's 'Buffalo Stance', Kraftwerk's 'Radioactivity' to Martha Reeves and the Vandellas' 'Heat Wave', the book combines memoir and historical, scientific and cultural enquiry to show how music can shape different versions of ourselves; how we rely upon music for comfort, for epiphanies, and for sexual and physical connection; how we grow with songs, and songs grow inside us, helping us come to terms with grief, getting older and powerful memories. It is about music's power to help us tell our own stories, whatever they are, and make them sing.

This book considers how a combination of place-based writing and location responsive technologies produce new kinds of literary experiences. Building on the work done in the Ambient Literature Project (2016–2018), this book argues that these encounters constitute new literary forms, in which the authored text lies at the heart of an embodied and mediated experience. The visual, sonic, social and historic resources of place become the elements of a live and emergent *mise-en-scène*. Specific techniques of narration, including hallucination, memory, history, place based writing, and drama, as well as reworking of traditional storytelling forms combine with the work of app and user experience design, interaction, software authoring, and GIS (geographical information systems) to produce ambient experiences where the user reads a textual and sonic literary space. These experiences are temporary, ambiguous, and unpredictable in their meaning but unlike the theatre, the gallery, or the cinema they take place in the everyday shared world. The book explores the potentiality of a new literary form produced by the exchange between location-aware cultural objects, writers and readers. This book, and the work it explores, lays the ground for a new poetics of situated writing and reading practices.

"You forget. You forget you don't really exist here, that this isn't your home." Since emigrating from Bangladesh, fourteen-year-old Nadira and her family have been living in New York City on expired visas, hoping to realize their dream of becoming legal U.S. citizens. But after 9/11, everything changes. Suddenly being Muslim means you are dangerous -- a suspected terrorist. When Nadira's father is arrested and detained at the U.S.-Canadian border, Nadira and her older sister, Aisha, are told to carry on as if everything is the same. The teachers at Flushing High don't ask any questions, but Aisha falls apart. Nothing matters to her anymore -- not even college. It's up to Nadira to be the strong one and bring her family back together again.

Are you struggling to accept God's love? We've bought into the lie that we are worthy of God's love only when our lives are going well. But when life begins to fall through the cracks and things become less-than-perfect, we scramble to present a good front to the world—and to God. God longs for us to deeply believe and know that He loves us and accepts us as we are. He calls for us to remove our mask and establish an honest and deep relationship with Him. When we are our true selves, we can finally claim our identity as His own—Abba's child. Let go of the pressure of an impostor lifestyle and lean into the life-changing wonder of a truly loving relationship with God. Abba's Child will light the way to freely accepting your belovedness and being renewed by the reassurance of our Father's deep care for you—regardless of how perfect your life isn't. "Honest. Genuine. Creative. God hungry. These words surface when I think of the writings of Brennan Manning. Read him for yourself—you'll see what I mean!" —Max Lucado, New York Times bestselling author "I pray that Brennan Manning and the timeless voices . . . in this book might offer you hope. May they remind you that you are loved by the Father-Creator Himself. May they sing and speak into your life against the voices that tell you

otherwise." —Jon Foreman, lead singer of Switchfoot

Kids learn twenty Hebrew words that start with alef, the first letter of the Hebrew alphabet, in this unusual "flip book." From one side mom (a word that starts with alef in Hebrew) goes through a typical day with her little one doing all things that start with alef, while from the "flip side," dad (the Hebrew word for dad also starts with alef) does the same. The family meets in the middle.

Abba: Thank You for the Music Stories Behind the Songs

A long-overdue paean to the predominant musical form of the 70s and a thoughtful exploration of the culture that spawned it Disco may be the most universally derided musical form to come about in the past forty years. Yet, like its pop cultural peers punk and hip hop, it was born of a period of profound social and economic upheaval. In *Turn the Beat Around*, critic and journalist Peter Shapiro traces the history of disco music and culture. From the outset, disco was essentially a shotgun marriage between a newly out and proud gay sexuality and the first generation of post-civil rights African Americans, all to the serenade of the recently developed synthesizer. Shapiro maps out these converging influences, as well as disco's cultural antecedents in Europe, looks at the history of DJing, explores the mainstream disco craze at its apex, and details the long shadow cast by disco's performers and devotees on today's musical landscape. One part cultural study, one part urban history, and one part glitter-pop confection, *Turn the Beat Around* is the most comprehensive study of the Me Generation to date.

"I challenge you to get through a chapter of this book without a desire for God being struck in your soul. Roger Owens wears his brilliance lightly and loves words tenderly and lavishly in these pages. He is ferociously gifted, and fast becoming one of the abbos to whom the reading church often turns for a word from the Lord." - Jason Byassee is senior pastor of Boone United Methodist Church and a Fellow in Theology & Leadership at Duke Divinity School With a style and warmth of presentation that will remind readers of Henri Nouwen's most popular work, *Abba*

Give Me a Word interweaves the author's personal stories of struggle - and transformation - with reflections on the history and purpose of spiritual direction. The result is a wise introduction to an ancient art and practice of "soul care" - directed at Christians of all backgrounds. "This is a guide for those eager for a serious yet joyful journey from isolation to communion. It is about companionship on the greatest journey anyone can undertake. It is about kindness in the old sense of the word." -Alan Jones is dean emeritus of Grace Cathedral, San Francisco, and the author of Soul Making Snook Alone Abrams
 With their irresistible brand of pop, ABBA was the band that made dancing queens groove, the group that never met its

Waterloo, the winner that took it all. They outsold and outperformed all their rivals throughout the 1970s, inspired a hit show that's run for decades, and served as the soundtrack for beloved movies. This magnificent tribute, written by the director of the ABBA Museum in Stockholm, takes an intimate, humorous look at the iconic quartet. In addition to brand-new interviews with all four members and backstage staff who have rarely if ever spoken about their work, it features never-before-seen images and removable facsimile memorabilia--including diaries, lyrics, a handwritten set list, and more. Every fan will treasure this unique volume

Abba's Heart Plunkett Lake Press
 "Scrolls of Testimony is powerful, dramatic and compelling - the testimony of the author woven with others' eyewitness accounts, diary entries, poems, and even last wills and testaments. Many of these were carefully recorded and hidden during the war at great personal risk to the writers, who desperately wanted to record the unfathomable events before them. Regarded by many as one of the great masterpieces of Holocaust literature, Scrolls of Testimony is indeed a modern Jewish classic. Kovner worked on the book until his death, and it remains his final tribute to the courage and dignity of the victims and a fulfillment of his promise to bring their testimony to future generations."--BOOK JACKET.
